COFFEE TABLE**

DESIGNED John Caldwell

Our Westport coffee table is designed with the same elegance and simplicity as our Westport sectional. One table may be used for smaller seating configurations, or two tables may be pushed together for larger seating arrangements. A piece of clear tempered glass that covers the table top is sold separately. The table is shipped fully assembled.

NOTE: In intense heat, woven tabletops under glass may become more elastic but will return to their original form once temperatures cool.
