

Seasons Teak Exterior Light (20" | 50 cm)

Our hybrid solar and USB-C rechargeable lantern lamps, are not only delightful to look at, but have a performance that is superb. The lamps can output over 600 Lumens of light, are dim-able in 3 steps and can be operated from touch buttons on the top of the lamp or from a radio-based remote control with a range of up to 25 m/82'. The remote signal can travel through most walls. The lamps can be set to operate autonomously; on at dusk and off at dawn or when the battery pack runs low. At the lowest brightness setting, the run-time is up to 35 hours. A single remote control can be paired to control up to 256 lamps.
